

# American Institute of Bail Bonding And Bail Enforcement

Leading the Way in Bail Bond and Bail Enforcement Education

## Don't Be Fooled!!

**We are one of the first and the best schools in the Bail Bonding Industry.**

Looking for more information on Bail Enforcement? Get our Bail Enforcement Info Manual Providing Professional Classroom and Home Study Course Training for Bounty Hunter, Bail Enforcement, and Bail Bond Agents Nationwide.

Enter a challenging and financially rewarding occupation. All instructors are Certified Law Enforcement, Bounty Hunter, Bail Enforcement, and Bail Bond Agents.

## Certification

Upon completion of your course and a passing grade on the final test, you will be issued a certificate of graduation issued by our school.

This will show all potential employers that you have the education requirements to be employed as a Bail Bond Agent or Bail Enforcement Agent.

This Certificate will put you a leg up on the competition and it will greatly reduce the liabilities that a Bail Bondman or Bail Bond Company accepts when they hire you as an employee.

Along with the Certificate, you will also receive a letter to attach to your resume outlining your training and assuring them if they employ you the benefits that they will receive for hiring our school's graduates.

## School Background

The American Institute of Bail and Bail Enforcement is located in Denver, Colorado.

The school was founded in 1998 after a Law was passed in Colorado that made it mandatory that anyone employed or contracted to perform Bail Enforcement work had to be State Certified.

The lead Instructor and Director of American Institute of Bail and Bail Enforcement, Brett Almy, made a promise that this school would Lead

The Way in Bail Enforcement Education.

After devoting 15 years of his life to Law Enforcement, Director Almy decided to invest his Knowledge and Law Enforcement Training to the Bail Industry.

After researching the Bail Enforcement Industry for several years, Director Almy found that their was very few places that taught Bail Enforcement Education and none of the schools were State Certified.

The schools curriculum focuses on the skills and techniques developed from Director Almy's experience as a Law Enforcement Officer, Crime Scene Technician and Fugitive Recovery Agent.

All Instructors are Ex-Law Enforcement Officers and currently active experienced Bail Enforcement Agents. Class instruction will include; The history of Bail Bonding and Enforcement, Legal and Liability Issues, Investigative Techniques, Officer Safety and Street Survival, Arrest Training, Handcuffing, Prisoner Transporting and more.

This Training is available as a Home Study Course or in our Classroom in Denver, Colorado. The Training is fast paced and thorough. Upon Graduation from the American Institute of Bail and Bail Enforcement, the Graduates will be prepared for actual on the Job Experience. If you are Seriously interested in an Exciting, Challenging and Financially rewarding career as a Bail Enforcement Agent, then Click Here to order this State Certified Class NOW!

## **FAQ's**

We do not have the space to answer every question that might come up. So if the questions below do not answer your specific inquiry, then Click Here to ask your question, and someone from the school will get back to you with an answer.

### **Where are you located?**

We are located in Denver, Colorado

### **What is the Cost for this Course?**

Currently the cost for this class is just \$234.99. That's just arresting one \$2,500.00 bond jumper at a charge of 10% of the bond, to pay for this class.

### **How long is the course?**

The home study course consist of 1 Study Manual and 4 Video Tapes. The Classroom course is 2 days.

### **How much money can I make in this profession?**

The sky's the limit. It depends on how you build your business. Most new Bail Enforcement Agents make about \$ 25,000.00 a year to start. But, at charging 10% of a bond you make approximately \$ 10,000.00 per every \$ 100,000.00 worth of bail jumpers you arrest.

### **What are the requirements to become a Bail Enforcement Agent?**

Minimum age is 18. Most states have no educational requirements for doing Bail Enforcement. But always check with your states Division of Insurance for any requirements.

### **If most states have no educational requirements, then why take this course?**

If you want to succeed in any profession you need some type of training. American Institute of Bail offers the training that will get you work and keep you safe while engaged in Bail Recovery. Remember that this course and its curriculum has been reviewed and is registered by the Colorado Division of Insurance.

**Can I carry a weapon?**

Check with your local law enforcement agency for weapon laws.

**I have a Criminal Record, can I still be employed as a Bail Enforcement Officer?**

In some states you can and in others they have laws that prohibit anyone convicted of a felony from being employed as a Bail Enforcement Agent. Check with your state Division of Insurance.

**If I decide to take the class in person, how do I sign up?**

The same as you would purchasing the Home Study Course. Just go to sign up here for instructions, or call 1-303-232-8800 for class schedule.

**What type of Certificate do I get upon completion?**

You get a Certificate of Completion from a State Certified Institute and the fastest growing Bail Enforcement school in the nation. You get the training you need to succeed in this profession. You get the information you need to make contact with Bail Bonding Companies to obtain work.

**I want to become a Bail Enforcement Agent, what do I do Next?**

Stop talking about it and order the class now. The sooner you learn, the sooner you can start making money.
